

## Welcome to Wade's Construction & Repair

### HVAC Department

"We are family owned and operated company that has been providing professional services in the area since 1998.

We have been serving Ada and its surrounding areas for the past 28 years. We have provided service and installation for both residential and commercial customers. Wade taught the Plumbing and HVAC Tradea at the Wes Watkins Career Tech for 8 years.

We offer repair, HVAC maintenance, air conditioning, heating services, furnace repair, furnace maintenance, ductless mini splits, heat pumps, indoor air quality, thermostat installation both commercial and residential.

We hold state and city licenses in both fields including Oklahoma State Licensed Plumbing Contractor, Natural Gas and Propane, and Heating & Air Conditioning."

We are one of the few Oklahoma State LP Administration licensed Contractors to work safely with Propane Gas as well as Natural Gas. Let us help you install, fix or service all your HVAC-R needs.
